Enthusiastic web developer with strong skills in HTML, CSS, and JavaScript, and experience with React.js and Node.js. Recent Computer Science graduate with a passion for creating responsive, user-friendly web applications. Quick learner and team player with a keen eye for detail and a drive to stay updated with the latest web technologies

Skills

- Project management
- Strong decision maker
- Complex problem solver
- Creative design
- Innovative
- Service-focused

Technical skills

- HTML
- JS
- Git & Github
- CSS
- Responsiveness

Projects

- **PORTFOLIO** - Our project is a personal portfolio website built with HTML, CSS, and JavaScript. It features a responsive design, showcasing skills, projects, and professional background, ensuring accessibility on all devices. Future updates will include a blog and enhanced contact options.
- **SCHOOL WEBSITE -** We constructed a school site that is HTML, CSS, and JavaScript dependent. Regarding the site's content, it is a responsive design, event calendar, news section, staff directory, and contact information. The web page functions properly and can be easily accessed with any device.
- **SNAKE & TIC TAC GAME -** Our project is a website featuring Tic Tac Toe and Snake games, built with HTML, CSS, and JavaScript. It offers a responsive design for smooth gameplay on any device, with intuitive controls and engaging interfaces. Future updates will include score tracking and additional features.

Education

12th: **Maths** – **75 PERCENTS** (2018)
Govt High School Gatadih, C.G.

B. Tech: **Computer Science** – **8.25 CGPA** (2023)
Chhattisagarh Engineering College Durg, (CSVTU)
